

I am honored to share an update with you on important bills, In-district events, and issues we have covered in the past week of the 118th Congress.

I am proud to vote in favor of H.R. 347 – Reduce Exacerbated Inflation Negatively Impacting the Nation (REIN In) Act

I voted in favor of H.R. 347 which requires OMB and the Council of Economic Advisors to provide an inflation estimate for each executive order that is projected to cause an annual gross budgetary effect of at least \$1 billion.

Honored to co-sponsor and vote in favor of H.J. Res. 30 - Keeping Woke Government out of Retirement Plans

I co-sponsored and voted in favor of H.J. Res. 30 – Providing for congressional disapproval under chapter 8 of title 5, United States Code, of the rule submitted by the Department of Labor relating to “Prudence and Loyalty in Selecting Plan Investments and Exercising Shareholder Rights.

Under the new DOL rule, plan fiduciaries may consider ESG when making decisions and when exercising shareholder rights, which undermines statutory obligations under the Employee Retirement Income Security Act of 1974, which requires plan fiduciaries to act solely in the interest of plan beneficiaries.

I met with representatives of AIPAC in TX-38. When the U.S. and Israel stand together, the world is a safer place.
